The ultimate grab-and-go MILSPEC field watch. Everything you need, nothing you don't. We applied absolutely everything we know about engineering and manufacturing the world's highest performing grade 5 titanium tool watches to create the best modern general purpose (GP) field watch available today. And, we made absolutely sure that our warfighters, first responders, meat eating savages, and enthusiasts alike wouldn't have to break the bank to get one. Engineered, machined, assembled, and tested like every SēL in our Tucson, Arizona workshop.
